WILDWOOD *Roast*

Thank You for supporting our PTA!

The Wildwood P.T.A. needs your support to help "academic excellence in a nurturing environment." This year, Wildwood is teaming up again with the Bridgeport Coffee Company, a local Chicago business, to enrich our children's educational experience by getting involved in the school.

Please use this order form to record each of your customer's names, their contact information, and the number of bags of coffee and tea they would like to purchase. Each 12 oz. bag of coffee costs $10.00, and each 2 oz. bag of loose-leaf tea costs $5.00.

The Wildwood Roast is a medium roast, Fair Trade-Organic coffee produced by the PRODECOOP in the remote northern region of Nicaragua. The Colombian Decaf is naturally processed using an extract from sugar cane.

The loose leaf teas are a gourmet organic peppermint from the state of Washington and a rich Irish Breakfast Tea that is a blend of Ceylon and Assam teas.

Please use cash or make checks payable to Wildwood PTA.
